

The Wellbeing Service

The Wellbeing Service for Lincolnshire aims to bring lots of different preventative care and support services together, so everyone works together to keep people in good health, in a more joined-up way.

Come along to find out about this new way of accessing services to help you stay safe and healthy in your own home.

For further information and to book onto one of the events please contact the Public Health Interventions Team to confirm your place.

Email: Healthandwellbeing@lincolnshire.gov.uk

Phone: 01522 553632
